

Defendant's counsel under circumstances similar to those here. The Court warns Defendant that continued unwarranted complaints about counsel may result in the Court finding that he has forfeited his right to counsel in this matter. See United States v. Coleman, No. 3:09-CR-207, 2010 WL 4395358, at *5 (E.D.Va. October 28, 2010) (finding Defendant forfeited his right to counsel by his dilatory tactics and unwillingness to work with his attorneys including filing three pro se motions, communicating regularly with the Clerk's office and dismissing his attorneys when they failed to pursue his preferred courses of action).

The Clerk is directed to send copies of this Order to counsel for the parties; and to the Honorable Richard L. Voorhees

SO ORDERED.

United States Magistrate Judge
